Goddard is best known for playing the world-famous musician "John the Fisherman" on the long-running pop-music program American Bandstand. Lewis's daughter was 15 when she started dating Goddard. Lewis alleges that the fling grew into a rape, and that Goddard attempted to control her daughter's activities by having her wear a giant cross around her neck. In her book Unprotected: Dispatches from the Front Line of the New Porn Wars, published in 2010, Stephanie Lewis spoke about the severe consequences of the abuse Goddard inflicted on her. She told the story of her struggle to come to grips with her experience, and the circumstances surrounding it, and how Goddard's desire to control her life ultimately led her to alcohol and drugs that ultimately led to her death at the age of 24.Deutsche Lidl-Schokoladendusche Geruch von Rosinen und nordischer Aufbruch in einem Tiefkühlfach, der so etwas nicht zu erwarten ist.
