May 20, 2012 I have an activation code for Autocad 2010 on a trial version that I want to use in my office. I just need a serial number for the full version. I believe serial number is M31B-387-3479 and the Product Key is 001B1-F8K8-59R8-907Z-B967. May 31, 2012 Reply to Randy McLaughlin. for edit see Jun 1, 2012 I have a serial number from a used version of Autocad that is on our site. I'd like to post it in the location of the serial number but it doesn't post as a postcode. Can someone help? Thanks! Help me! I tried to activate autocad 2010, but I want to know the serial number (product key) to activate it. I can't find any website to type the serial number. I am trying to install Autocad 2010. I have successfully installed previous version of this (2002). But this time I'm getting an error message "the activation code entered is invalid" and "There are no published activation codes for Autocad 2010 Full Version". Please let me know the serial number. I already have the following product key. I don't have the serial number, but I know that it is correct one from some reference book. I tried to activate Autocad 2010 full version(8.2.9895), but I am getting a message, saying that: "The activation code you entered is invalid" and "There are no published activation codes for Autocad 2010 Full Version". Please help to activate the application. I have already product key and serial number.
